

RidesNearMe.com turnkey carpooling service provides you with:

- A unique in the industry, graphical and best of class carpooling solution for your employees (destination focused on YOUR business!)
Our software focus is on high-security, simplicity, and a pleasing graphical user experience. We believe this is the easiest carpooling tool to use in the world.
- Internal promotion documentation for your employees explaining the benefits of carpooling including:
 - e-mail templates
 - handout Tri-Fold Fliers for all your employees
 - online documentation including video walk-throughs and demonstrations
- Internal and external cross promotion of your business as a green enterprise on all our partner sites.
- A custom branded ad-free website located at <http://yourbiz.ridesnearme.com>.

We want your carpooling initiative at your business to succeed, so our carpooling consultants will assist you with all your communications. We also offer consulting on carpooling initiative programs at no additional cost.

The more cars off your parking lot means lowered lot maintenance or even lowering your lot expansion requirements, saving potentially thousands of dollars!

Carpooling will save thousands of dollars for every employee using the service!

Make it easy to get to work, and retain your employees. It's that simple!

Our pricing is simple too!

1-100 employees ----- \$50 / month
101-200 employees ---- \$85 / month
201-500 employees ---- \$140 / month
501-1000 employees -- \$200 / month
1001-2500 employees - \$300 / month

Our tool saves you and your employees thousands of dollars!
